FT Cares Foundation
120 E Liberty Dr
Wheaton, IL 60187-5465

Dear Friends at FT Cares Foundation,

Thank you for your credit card donation of $2,000 on 10/31/2017. Your generous donation is at play around the world.

Thank you from CAF's clinics.
Young kids are learning how to walk and run for the first time at Össur Running and Mobility clinics presented by CAF around the country.

Thank you from the road.
Andre Kajlich became the first ever handcyclist to complete the Race Across America (RAAM) with no legs and all heart.

Thank you from the Paralympic movement.
With one hand taped to his racket, David Wagner is setting out to become the number one wheelchair tennis player in the world.

Thanks to you, people of all abilities across the globe get to participate in sports and physical activities that make them come alive.

The physical and mental wellbeing from this type of support makes all the difference in the lives of the newly injured, those born with physical challenges and our injured troops.

Just this year, CAF distributed over $3.7 million to 2,448 people with physical challenges to get expensive adaptive sports equipment including running prosthetics not covered by insurance, training and competition expenses. An additional 60,000 individuals are reached annually through CAF's camps, clinics, and online resources.

This gift of empowerment and hope is truly appreciated every day and for many years to come.

Sincerely,

Jen Rose Thank you for your support!

Jennifer Rose
Sr. Development Manager

No goods or services were provided in exchange for this donation. This letter will serve as your receipt for tax purposes, please consult your tax advisor for more information.
